

WILLMOTT PARK PRIMARY SCHOOL

HUMAN POWERED VEHICLE- ENDURANCE DAY SILOUETTE KART TRACK- WEDNESDAY 9th SEPTEMBER 2009

12 August 2009

Dear Parents,

As part of our RACV Energy Breakthrough preparation for November, your child will be involved in the first of our scheduled Endurance Days. These days involve the team members using the vehicles from 6.00am- 1.30 p.m. This event helps students to begin conditioning themselves for the vigorous 14-hour race situation they will be put through in Maryborough. It is not only an ideal preparation for the students, but also allows us as co-ordinators to test our vehicles under race conditions and make necessary alterations, as well as developing a more accurate understanding as to which students are best suited to which position (driver or pit crew). Details for the first event are as follows:

- Date:** Wednesday, 9th September, 2009
Time: 6:15am – 2:00pm
Venue: Silhouette Kart Racing Track, Hume Highway, Somerton (Melways)
Cost: \$10 (this covers breakfast, lunch and track hire)
Transport: Please arrange for your child to be picked up at 2.00pm or contact the school if you require assistance.

We plan to start the day at 6.30am sharp so if you could have your child at the track 15 minutes prior to the start time.

A cooked breakfast will be provided for the children by our 'HPV Caterers' and a BBQ lunch will also be supplied. There will also be plenty of fruit and fluid on the day.

The children will be required to bring hats, water/drinks, sunscreen and lots of energy.

It promises to be a fantastic day for our HPV squad and an important part of our preparation as we count down the days to Maryborough. We will focus on lap times, pit changeover times, average speeds and total distance travelled in 7 hours.

You will be able to pick your child up from 2.00pm from the track.

Please feel free to contact me if there are any queries

Regards,

Rhett McDonald
HPV/Sports Coordinator
